Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Careful consideration has been given to the Office Action dated September 27, 2005 and particularly to the election / restriction requirements therein.

Pursuant thereto, Applicant elects, without traverse, the invention designated by Group I, inclusive of claims 56-78, 111-116, 126-136.

It is respectfully requested that examination of the above application proceed on the basis of the election which has been made.

Respectfully submitted,

Kelly G. Hyndman
